## CHAIR Membership Information And Application Form

### Membership Categories\*

#### Vision

CHAIR is committed to saving lives and supporting the creation of a safe healthcare environment for Canadian patients, staff and visitors by achieving an 80% reduction in healthcare acquired infections (HAIs) by 2024.

**Supporting Member:** A Canadian company, Canadian subsidiary of a company, or trade association/organization who demonstrates a leadership role in achieving CHAIR’s vision and goals. Membership fee for this type is based on company or organizational revenue. See “Membership Type and Cost” at the bottom of the application form on page 3 to see the scale for this fee type.

**Association:** Not-for-profit, knowledge organization, or non-participating member organization who wants access to news and conference information. Membership fee for this type is \$1,000 CAD.

**Individual:** Individuals wishing to support CHAIR’s vision and goals. Membership fee for this type is \$100.

**Academic/Honorary:** Student/teacher/professor at learning institution on organization active in medical environments or related sciences. Government association or agency; not-for-profit regulatory organization or funder; donating in-kind labour or participating in trial or study that supports CHAIR’s vision and goals. Membership fee for this type is free.

\* Memberships are approved by Steering Committee. Participation in weekly CHAIR meetings is by invitation only.
